

Specifications & Properties

Flash Point: Not applicable
Physical State: Green, semi-viscous liquid
Flammable: No

Description

Acid Free Cleanser This product is an excellent viscous green cleaner that sanitizes, deodorizes and shines a variety of surfaces including porcelain, chrome, ceramic and stainless steel.

Features & Benefits

- It contains no acids, ammonia or harsh abrasives

Applications

- porcelain, chrome, ceramic and stainless steel.

Directions

Acid Free Cleanser Wet the surface to be cleaned. Pour a small amount onto the surface and clean with a damp sponge or cloth. Rinse off. For an extra brilliant shine on stainless steel, wipe dry with a clean, soft cloth. Toilet Bowls: Squirt product onto sides of the bowl and clean with a bowl mop. Flush clean.

Packaging & Handling

Acid Free Cleanser is available in 3.8L, 18.9L. Product can be stored in high-density polyethylene, polypropylene or fiberglass containers. Before use be sure to read and follow directions and precautions on product label and material safety data sheets (SDS).
