

Specifications & Properties

Flash Point: Not applicable
Physical State: Orange, semi-viscous liquid
Flammable: NO

Description

Foaming Brush Car Wash This product is a cherry-scented, pink coloured detergent formulated for use in foaming brush and hand mitt applications. This product produces high stable, lubricating foam that washes away dirt and road grime while conditioning the finish for wax or sealant treatments. It rinses easily to a sparkling shine. It is gentle on hands and will not harm paint, rubber or chrome and is fully biodegradable and phosphate free.

Features & Benefits

- Superior rinsing profile
- Biodegradable
- Lubricating Foam
- Safe on all surfaces

Applications

- Automotive
- Automatic Car Wash Equipment

Directions

Foaming Brush Car Wash This product may be diluted with up to 350 parts of water. The concentration should be adjusted to desired foam level. It works well in manual operations, with friction automatic car wash equipment and foam generation equipment

Packaging & Handling

Foaming Brush Car Wash is available in 3.8L, 18.9L, 208L containers. Product can be stored in high-density polyethylene, polypropylene or fiberglass containers.

Before use be sure to read and follow directions and precautions on product label and material safety data sheets (SDS).
