

Simple Orange

Is an Industrial Strength Cleaner and Degreaser, Made with the Best Degreasing Ingredients to Clean any Hard Surface, Leaving No Residue. Best Used on Oil based and greasy clean up applications but also Automotive Paint Safe, a true multi-purpose Cleaner

We designed Simple Orange to be your true Multi-purpose cleaner degreaser. If you're looking for an Industrial degreaser or a light cleaner, get it from this organic, non-petroleum cleaner made with renewable resources. It uses the power of citrus to cut through tough grease on equipment and machinery. But also at a high dilution it can be used as a light cleaner safe to clean almost any surface

Applications:

- Pre-spray for Pressure Washing
- Removes Tar, Asphalt, Lubes, Grease,
- Heavy oils
- Equipment and Engine or Parts Cleaning
- Dissolves Adhesives & Waxes
- Cleans Concrete
- Engine Degreaser
- Carpet Stains
- Window Cleaner
- Foam guns
