

Specifications & Properties

Flash Point: Not applicable
Physical State: Clear blue liquid
Flammable: NO

Description

All Temp Econo-Rinse This product is a quality economical non-foaming rinse additive used in the rinse cycle to allow quick drying without spotting or streaking. This product is ideally suited for use in automatic dishwashers and beverage glass washers. It contains a mild acid plus wetting and drying agents to prevent hard water scale build-up.

Features & Benefits

- Quick drying
- No spotting or streaking

Applications

- Automatic dishwashers

Directions

All Temp Econo-Rinse For best results, this product should be used with automatic dispensing equipment.

Packaging & Handling

All Temp Econo-Rinse is available in 3.8L, 18.9L. Product can be stored in high-density polyethylene, polypropylene or fiberglass containers.

Before use be sure to read and follow directions and precautions on product label and material safety data sheets (SDS).
