

Specifications & Properties

Flash Point: Not applicable

Physical State: clear, yellow liquid

Flammable: NO

Description

Avalanche Cleaner-Degreaser - Avalanche is a non-corrosive fully biodegradable water-soluble degreaser that removes oil, grease, dirt, smoke deposits and grime from hard surfaces. This product may safely be used for cleaning and degreasing of machinery, equipment, boats, garage floors and vinyl or aluminum siding.

Features & Benefits

- Biodegradable Water Soluble
- Superior rinsing profile
- Safe on all surfaces

Applications

- Heavy Equipment
- Motors, engines & tools
- Pipeline equipment
- Drilling Equipment

Directions

Avalanche Cleaner-Degreaser Avalanche may be used in pressure washers, automatic scrubbers, mop and bucket applications or with a brush. Dilute the product 1:10, 1:32 or 1:80 parts of water for heavy, normal or light duty cleaning. For heavy duty degreasing dilute the product with hot water. Rinse with warm water and allow to dry.

Avalanche is ECOLOGO certified to Hard Surface Cleaners UL 2759. ECOLOGO certified products are certified to ECOLOGO standards for reduced environmental impact..

Packaging & Handling

Avalanche Cleaner-Degreaser is available in 4L, 20L, 208L containers. Product can be stored in high-density polyethylene, polypropylene or fiberglass containers.

Before use be sure to read and follow directions and precautions on product label and material safety data sheets (MSDS).
