

THE MAD CHEMIST

CHLORFOAM PLUS

Specifications & Properties

Flash Point: Not applicable
Physical State: Clear liquid
Flammable: NO

Description

This product is a premium mildly alkaline high foaming chlorinated liquid cleaner and degreaser. It emulsifies and removes meat and poultry fats, greases, proteins, blood stains and other organic soils. This product is ideally suited for use through a low pressure foam sprayer or foam generator. Its high foaming ability allows it to cling to surfaces longer, increasing its ability to remove soils.

Features & Benefits

non-flammable and non-combustible

Applications

For effective cleaning of heavier soil deposits, use 1 part product to 40 parts of hot water and apply to surface with foam generator. For light degreasing, use a solution of 1 part product to 65 parts of water.

CAUTIONS: FOOD PROCESSING: This product does not contain perfume or butyl cellosolve, therefore, it will not impart odours in food processing establishments.

NOTE: Prolonged contact may harm painted surfaces

Packaging & Handling

CHLORFOAM PLUS is available in 3.8L, 18.9L, 208L containers. Before use be sure to read and follow directions and precautions on product label and material safety data sheets (SDS).
